Amira Huseby

I am Amira Huseby, 9 years old and I live in Germany. I started to dance ballet when I was 5 years old. I performed in more ballet performances (The Nutcracker, Cinderella, Coppelia).

This year with the roll of Clara one of my dream is coming true. I am addicted to ballet and I am taking classes every day.

In 2021 I competed in several international ballet competitions and placed 3rd place at the International Dance Open Zagreb, 3rd place at the Applaus Int. Competition in Nürnberg and I placed in TOP 6 at the Youth American Grand Prix in Berlin.

I am a Ballet Papier and Elegance Online Ballet Competition Ambassador and my goal is to be accepted at the professional ballet school.

Hi I'm Eden and I love to dance! I had my first ever dance competition earlier this year where I performed 3 solos earning 2 Platinums and a Platinum Plus! I was Second in my division and also second runner up to the Ms. Petite Title. I can't wait for next year's competition season and I hope all my hard work pays off!

I started to dance at the age of 3 and my passion for it has grown more ever since. I have taken several ISTD exams in ballet, tap and modern.

I also take classes in contemporary, jazz, musical theatre, commercial/street.

My absolute dream is to be a rockette and then go onto open up my own dance school!

Dance is my passion....I dance at the studio, I dance in the living room, I dance walking down the sidewalk! I would love some day to do something professionally with my dance training, but for right now I just want to enjoy learning, growing and dancing with my friends. I started dancing at Expressive Movement Dance a few years in a recreational class and loved it! Then I tried out for

their competition teams and made it! I compete with my team in jazz, ballet, hip hop, lyrical and tap. We have so much fun dancing together. I also do solos, duets and trios at competitions. Jazz and contemporary are definitely my favorite. I have done solos in each at competition and have danced well enough to place each time. One of my jazz solos was an almost perfect score! I also

won 2nd place at Nationals last year for my contemporary solo.

I try to push myself everyday to get better at something - whether it is in the studio with my instructors or at home just playing around with new tricks. I have to work the hardest at ballet, but I know it is the foundation for everything so I try

my best each day. My next solo is a ballet solo, so wish me luck!! I can't wait to continue my dance training and hope to see y'all at the next competition or convention :)
